SUMMARY

Senior Communication Executive & Tech Content Strategist with 5+ years of experience in Tech & Service. A solid foundation in product, content and brand communications: from SEO-standard reviews and building an independent review channel to leading the Apple IRP partnership project and working with major technology brands in Vietnam. Current focus: building Claude-powered AI agent systems that automate SEO/GEO and multi-platform content operations as a one-person team.

WORK EXPERIENCE

Hoang Sa Viet (Nidec elevator distributor), Ho Chi Minh City 01/2026 - Present

Marketing Lead

- Lead marketing activities for the distributor of Nidec elevators in Vietnam.
- Build SEO & content strategy for the B2B product line.
- Apply AI in practice to marketing workflows within a B2B environment.

Cham AI Agency (chamaiagency.website) - founding project 2026 - present

Founder & AI Automation Lead

- Built a "phygital"-oriented agency offering AI agents, chatbots and SEO/GEO services for small businesses; the entire bilingual website, blog and toolset is run by one person through AI automation.
- Designed a system of 13 specialized AI agents on Claude / Claude Code: market research, bilingual Vietnamese-English content production, quality control and end-to-end automated publishing.
- Developed an in-house GEO (Generative Engine Optimization) standard and SEO-GEO audit tool; 100% of published pages score 100/100, optimized for AI search (llms.txt, FAQPage schema, structured data).
- Released free community tools: SEO-GEO audit, AI social post generator, and a zero-cost website chatbot.

Fastcare Vietnam, Ho Chi Minh City 01/2024 - 01/2026

Senior Communication Executive & Brand Development

- Led the Apple Independent Repair Provider (IRP) partnership project: handled legal documentation, ensured 100% compliance with Apple standards.
- Optimized CPV costs by 15-20% through data-driven negotiation; managed a network of KOLs (Vật Vờ Studio, Vui Vẻ...).
- Ran brand partnerships with Team Flash (Arena of Valor), the Vietnam men's team that won the Gold Medal at SEA Games 33.
- Deployed trade marketing / brand activation at major universities in Ho Chi Minh City (Ton Duc Thang, HUTECH, University of Technology and Education, FPT...), combined with Tier-1 media PR booking.
- Operated a social listening system to detect communication risks early.

Freelance / Independent

2020 - 2026

Senior Tech Content Reviewer & Channel Growth

- Built a deep-dive review & teardown strategy, growing the channel to 55.4K subscribers, 26.7M likes.
- Wrote scripts, hosted on-camera and optimized the video production workflow.
- Collaborated on content production and communications with Fastcare, Tony Phùng Studio and GuuAds (a Google Ads agency).

Ngoc Tran Studio, Ho Chi Minh City

2020 - 2021

Tech Content Reviewer

- Reviewed smartphones and laptops on trend; on-camera talent, scripting, product styling.

Thế Giới Di Động (MWG), Ho Chi Minh City

2019 - 2020
